Health Officer, qualified last evening and entered on the discharge of his duties. Dr. Reeves, the old health officer, sent in his concluding report. He states that there are at this time, as reported to him by the attending physicians, just five cases of small-pox in the city, and they of a mild form. They are located as folcorner of Cedar Alley and Seventh street
-all in East Wheeling; and one on the corner of Buckeye Alley and West street, North Wheeling.

retiring Health Officer that at no time since the introduction of the disease here the large 1871 has there been a the snow and carrying in coal. in June, 1871, has there been a exemption from the disease enjoyed by this city has been literally remarkable. It has been due, we believe to the fact that the Health Authorities were armed with ample powers to stamp out the disease wherever it made its appearance before it could have time to spread, and extended those powers with commendable energy. But there ought to be no relax, allow to be more and and on all matter to which no specified those powers with commendable energy. But there ought to be no relax, atton of the vigilance which has thus far portchased this exemption. Cases of small-pox are liable to be brought here by any train or boat. Baltimore, and was allimore, and was alled the powers with which he is armed to keep the disease confined to the narrowest possible limits. Like a fire, it is easy enough managed if we look to the beginnings. If it is allowed to get start, it may apread beyond control, as it has done in Boston and Baltimore, and as it did last year in Pittsburgh, Pplitadetpha, and many others citete, where prevailed time of the careful and the powers with which he beginnings. If it is allowed, to get start, it may apread beyond control, as it has done in Boston and Baltimore, and as it did last year in Pittsburgh, Pplitadetpha, and many others citete, where prevailed time as the control of the careful and the control of the control this city has been literally remarkable.

there is still among our public men a strong undercurrent of purity, integrity and self sacrificing patriotism.

Some men's troubles will drive them to undreamt of extremes. Now, there was that Connecticut man whose wife present morning. The husband and lather was pleased and proud of this and went his associates Monday was of a very chill. around among his friends for their ing character. He came in after business conviction thereof for every congratulations; but, imagine his feelings began, but not a single Senator went for such offense, forfeit and pay a penalty on Wednesday when she presented him with antheiress. He began to believe she with antheiress.
